SIM Card Tray:

About Dual SIM:

- Dual 4G SIM is offered by select telecom operators and may not be available in all regions.
- Supports dual nano-SIM cards. When using both SIM card slots, either card can be set as the primary card.
- VoLTE is only supported by telecom operators in certain regions.
- System may be automatically updated for optimal network performance. For details, please refer to the system version in use on the device.
- Please do not insert non-standard SIM cards into the SIM card slot. They may damage the SIM card slot.
- **WARNING:** Do not disassemble this device.

RF Exposure Information

This mobile phone has been designed to comply with applicable safety requirements for exposure to radio waves as per the relevant Indian SAR standard (refer to Office Memorandum No.18-10/2008-IP, Government of India, Ministry of Communications and IT, Department of Telecommunications, Investment Promotion), which state that the SAR level for mobile device shall be limited to 1.6 Watt/Kg, averaged over a mass of 1 gram of body tissue.

Usage advice

It is recommended to use a wireless handsfree system (headphone, headset) with a low-power Bluetooth emitter when making a call.

It is recommended to use a mobile device with a Specific Absorption Rate (SAR) that complies with the applicable safety requirements.

For children, adolescents and pregnant women, it is recommended to keep each call short or to send a text message instead.

Use the mobile device in an area with good signal quality.

For persons utilizing active medical implants, it is recommended that the mobile device be kept at least 15cm away from the implant during use.

Important safety information

India SAR 1 g limit: 1.6 W/Kg,

SAR Head: 0.864 W/Kg, Body: 0.863 W/Kg (distance 15 mm).

E-Waste

Xiaomi products are in conformity with the requirements of the reduction of hazardous substances of the E-Waste (Management) Amendment Rules, 2018.

The content of hazardous substance with the exemption of the applications listed in SCHEDULE II of the E-Waste Rules:

1. Lead (Pb) – not over 0.1% by weight;
2. Cadmium (Cd) – not over 0.01% by weight;
3. Mercury (Hg) – not over 0.1% by weight;
4. Hexavalent chromium (Cr6+) – not over 0.1% by weight;
5. Polybrominated biphenyls (PBBs) – not over 0.1% by weight;
6. Polybrominated diphenyl ethers (PBDEs) – not over 0.1% by weight.

For E-Waste information, please refer to the link below:

WEEE

For the purpose of recycling to facilitate effective utilization of resources, please return this product to a nearby authorized Collection Centre, registered Dismantler or Recycler, or Xiaomi Service Centre when disposing of this product.

What the Wheelie Bin symbol means: the symbol says don't dispose of your E-Waste into the municipal waste collection bins. That's because these wastes are hazardous in nature and need to be recycled in a special way.

How to dispose of this product

Carry it to nearest service centre of Xiaomi OR Call the Toll Free Number: 1800 103 6286 OR Write to us on service.in@xiaomi.com

Instructions of handling the product during and after its use and Do's and Don'ts with respect to handling the product;

Do's:

- a. Always look for information on the catalogue with your product for end-of-life equipment handling.
- b. Ensure that only Authorized Service Personnel / Service Center repair and handle your electronic products.
- c. Always call Authorized E-Waste Recyclers to dispose of products that have reached end-of-life.
- d. Always drop your used electronic products, batteries or any accessory when they reach the end of their life at your nearest authorized E-Waste Collection Centre / Collection Point.
- e. Wherever possible or as instructed, separate the packaging material according to respective waste disposal options and sort for recycling.
- f. Always disconnect the battery from product, and ensure any glass surface is protected against breakage.
- g. Charge this device only with the included or Xiaomi authorized cable and power adapter. Using other adapters may cause fire, electric shock, and damage the device and the adapter.

Don'ts:

- a. Do not dismantle your electronic products on your own.
- b. Do not throw electronics in bins having "Do not Dispose" sign.
- c. Do not give E-Waste to informal and unorganized sectors like Local Scrap Dealer/ Rag Pickers.
- d. Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.

Operating Temperature: 0 °C - 40 °C

Install the adapter near the device in an easily accessible position.

CAUTION

RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE.
DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

To prevent possible hearing damage, do not listen at high volume levels for long periods.
